His tombs were well stocked with all the material goods a ruler might need in the next world. Most of the decoration inside the tombs is still well preserved.

Hatshepsut Temple:

It is one of the most beautiful & best preserved of all of the temples of Ancient Egypt. The temple was built on three levels with two wide ramps in a central position joining the levels together.

Colossi of Memnon:

Two massive stone statues of king Amenhotep III are the only remains of a complete mortuary temple.

The statues are made from blocks of quartzite sandstone which exist in Cairo then moved 700 KM to Luxor
