Itinerary:

It's the perfect way to see the spectacular sea life of the coral reef without even getting wet. And it's a view no visitor from Soma bay can afford to miss. The Red Sea is one of the seven wonders of the natural world. the Red Sea supports a vast range of marine life. It is host to more than a thousand species of fish, many of them not known anywhere else in the world. An excursion on the Seascope can be an opportunity and giving you invaluable memorable moments of the beauty of Hurghada's famous reefs.

Days Table

First Day :Seascope tour From Hurghada

Our representative will pick you up from your hotel in Hurghada, for a fantastic Semi Submarine Hurghada. Our Seascope has an air-conditioned and deep hull fitted with 20 panoramic windows that offer an excellent underwater view. While sitting in your personal chair, you can see the coral reef and tropical fish of all different shapes and sizes.

Our Seascope will take you to the most beautiful reefs of this region and show you the abundance and multitude of local marine life. Where there are a huge variety of fish species, colourful corals and various sea plants. It looks like an enormous aquarium, but this is the real natural world you marvel at from the comfort of the observation lounge.

You can snap happily with your camera or video throughout your journey and it is guaranteed to see the unique marine life. After finishing, transfer back to your hotel in Hurghada, This trip is especially appropriate for families with children.
